EDUCATION

Dev Bhoomi Uttarakhand University, Dehradun **2019 – 2023**
*B.Tech - Computer Science and Engineering - **CGPA:** 8.66* *Dehradun, Uttarakhand*

WORK EXPERIENCE

Intern at Pregrad **June 2024**
Role – Data Analytics *Delhi, India*

- Assisted in data collection, cleaning, and preprocessing for analytics projects.
- Conducted exploratory data analysis (EDA) to identify trends and insights.
- Developed predictive models using machine learning techniques.
- Created data visualizations and dashboards for business insights.
- Collaborated with teams to optimize data-driven decision-making.
- Utilized Python, SQL, and statistical methods for data analysis.

PROJECTS

Virtual Assistant **June 2024**
NLP, Backend logic, spaCy, Speech Recognition

- Developed an AI-powered virtual assistant for task automation and user interaction.
- Integrated NLP for voice and text-based commands.
- Implemented scheduling, reminders, and real-time information retrieval.

Amazon Clone **Jan 2025**
HTML and CSS

- Built an Amazon clone to understand web design principles.
- Enhanced HTML and CSS skills by replicating the UI.
- Building an Amazon clone helped me understand the fundamentals of web design and the importance of a seamless user experience.
- Designing an Amazon clone was a challenging yet rewarding experience that enhanced my proficiency in HTML and CSS.

Recycling Website **Jan 2025**
HTML, CSS and JavaScript

- Developed a user-friendly recycling platform with a secure registration system.
- Implemented material listing categories (glass, copper, bronze, iron, paper).
- Integrated Font Awesome icons and Google Fonts for enhanced UI.
- Designed a payment gateway with QR-based online transactions and notifications.
- Utilized JavaScript for form validation and database connectivity.

TECHNICAL SKILLS

Languages: Python, C, JavaScript, SQL, Java, MySQL, SQL
Frameworks: React, Node.js, Express, MongoDB, Bootstrap
Tools: VS Code, Jupyter, Canva

CERTIFICATIONS

- Data Analytics - Pregrad
- Hackathon

EXTRACURRICULAR ACTIVITIES

Social Internship **June 2024**
Intern at myGov

- My social internship at MyGov on 'Women Rights' was an eye-opening experience that deepened my understanding of gender equality and empowerment.
- My time at MyGov reinforced my commitment to promoting gender equality and supporting initiatives that empower women.
- This internship taught me the importance of collaboration and awareness in driving progress for women's rights and social justice.
